## Village Election Tuesday Gains in Public Interest

### Battle for President Looms But No Contests for Other Offices

Antioch citizens will go to the polls Tuesday in electing a village president and four trustees for four years.

Only one office is contested—that of president, but the battle for that office is of such intensity that all voters should be drawn to the polls.

George B. Bartlett for 26 years servant of the village in the mayoralty position is being opposed by Charles Cermak, Jr., young real estate agent, running as an independent.

Bartlett heads the People's ticket with the following slate of candidates:

L. D. Powles, clerk incumbent; Martha Hunter, treasurer, incumbent; Arthur Rosenfeld, trustee incumbent; Edgar Simonsen and Arthur Hawkins, trustees by appointment; and C. A. Wolfenbarger, candidate for the unfilled office of trustee; E. Elmer Brook, for police magistrate.

Voting will be at the village hall from 6 a. m. to 5 p. m. The officials are John Brogan, Mrs. Delta Matthews and Mrs. Arthur Rosenfeld, judges; Mrs. Vena Cermak, Mrs. Edna Radtke and Mrs. Helen Nelson clerks.

### T.B. X-Ray Unit to Be In Antioch Apr. 26-27 For Students, Adults

The x-ray unit of the Lake County Tuberculosis society will be at the Antioch Township High school on Tuesday, Apr. 26 to photograph all positive reactors of recent tests, and all school employees.

Towns people will be given opportunity to have x-rays without charge on the following day.

Skin tests were taken in the high school and in the grade school Monday and these were read, yesterday. Those who showed a positive reaction will have opportunity to ascertain whether their cases are active or not through the x-ray photographs.

The trailer-like truck was stationed at the Shell Oil station lot last year and scores of citizens took advantage of the free offer to learn their health so far as tuberculosis is concerned.

The unit is maintained through the sale of seals and through other contributions. It provides on the theory that if the disease is discovered in time recovery can be made quickly.

### Antioch P.T.A. to Hear Talk on Chinaware and Elect Officers Monday

Antioch P. T. A. will meet Monday at 8 p. m. at the Antioch Grade school.

Billy Deering will play several piano numbers. A speaker from Pickard China Company will give a talk on their chinaware, which they are famous for and also will show a movie.

Election of officers will be held. Mrs. Lillian Gray, 6th grade mother will be in charge of the refreshments.

### Mother of Mrs. Dan Boyer Critically Ill in Chicago, L. Villa Summer Resident

Mrs. Elizabeth Griffith, 81, Chicago, mother of Mrs. Dan S. Boyer of Cedar Crest Acres, Lake Villa, is seriously ill at the home of her niece, Mabel E. Graham, Frontier Ave., Chicago. Mrs. Boyer is at her bedside.

Mrs. Griffith was the wife of the late Robert Griffith, alderman of the Old 25th ward of Chicago. She has been a summer resident of Buena Park, Lake Villa for more than 60 years. She was born in Chicago in 1888 and it is believed she is one of the oldest living persons born in that city. She went through the Chicago fire of 1871 and has told some interesting stories about it.

### Grass Fires Keep Local Firemen Busy Over Week End; One Call at House

Grass fires have kept the Antioch fire department busy this week. Their locations, according to the report of Secretary Clarence Shultz are:

C. K. Anderson estate, Lake Catherine, 11:30 a. m. Saturday; Warner subdn. 12:45 p. m. Saturday; Shannon subdivision, Channel Lake, 2:30 p. m. Sunday; Klondike point Grass Lake, 10:20 p. m. Tuesday; Blunt subdivision, Petite lake 12:45 p. m. Tuesday; Wolfs, Loon Lake 12:45 Tuesday.

The department was called to the Leo Carney place north of the village at 10 p. m. Friday where smoke from a short in wiring filled the house, but there was no blaze.

### Few Vote in Election Of Unopposed Grade, and High School Candidates

Walter K. Hills was re-elected president of the Antioch Township High school in the board's organization meeting last evening. Mrs. Lester Osmond was again made secretary.

Arthur Bennett and Mrs. Osmond were re-elected to the board without opposition. Only 19 persons voted in Antioch during the school election Saturday, and they cast a like number of votes for the two candidates.

At Lake Villa where there was a grade school contest on, Bennett, a local resident, received 205 votes and Mrs. Osmond 193.

#### Grade School Election

Only 20 votes were cast in the grade school election in which there was no opposition. Two ballots were spoiled, and all candidates received the 18 votes. The officers are Emil R. Lubkeman, president; Roy E. Burdick, board member incumbent; and Walter I. Scott, new member.

### Patient of Lake Villa Rest Home Killed Under Soo Line Freight Train

The body of Boniface Piwarunts, 81, patient at St. Basil's Rest home at Lake Villa who was killed under a Soo Line freight train there Tuesday was claimed by the brother Dominic and taken to Chicago for burial.

Piwarunts was said to have tried to beat the train across the crossing. Police said his body was carried 115 ft. before it was hurled to the side of the right of way. The accident occurred at 8:46 a. m.

Miss Velma Langosch, a nurse at the rest home, said she saw the patient walk west on Cedar ave. and break into a run as he neared the crossing attempting to get across the track. He misjudged the speed of the train.

Piwarunts had been a patient at the rest home 10 months, coming there from the state hospital at Manteno.

The body was first taken to the Strang funeral home in Antioch and later taken by the brother to the Eudieks funeral home in Chicago's south side.

### Horans Attend 12th Dist. Legion Meet at Streator

Mr. and Mrs. John L. Horan accompanied Second Division Commander Charles Prizer last Sunday in attending the twelfth district American Legion meeting at Streator, Ill. Mr. Horan, secretary of the Second Division Convention addressed the delegates representing fifty-one Legion posts of the district on the program outlined for the two day convention to be held at North Chicago, July 16 and 17.

Edwards Gets Science Degree

Madison, Wis.—Harold V. Edwards, Antioch, received the bachelor of science degree at the end of the first semester at the University of Wisconsin.

The University Board of Regents conferred degrees on more than 1,400 men and women, the largest midyear graduating class in the 100-year history of the institution.

Of the total number of degrees granted, 60 were doctor's degrees, 171 master's degrees and the remainder first degrees.

Perrow, who came from the mother church of that denomination in Boston, spoke on "Christian Science, the Way to Freedom."

### EDITORIAL

Next Tuesday, April 19, the voters of the Village will go to the polls to choose a village president and four trustees. On the ballot they will find the name of George B. Bartlett heading a slate of candidates to fill all offices open at this time. Opposed is the lone independent, Chas. Cermak, Jr.

We believe this election to be of utmost importance to the future of the village. Due to changing economic conditions the need for good government, free of graft and corruption, is of prime importance. This is a time for sane, sober judgment in fiscal matters relating to the village. Mature judgment, provided by experienced, capable men is most important.

Village President Bartlett has attracted some of the most capable men of the community to his ticket and a balanced group, able to work together will result if the slate is put into office.

During the twenty-odd years Bartlett has been at the helm of village government, we have disagreed with the conduct of village affairs several times, and will probably have occasion to do so again, but on the whole the picture is good . . . much has been accomplished . . . the village boasts many visible improvements as well as the invisible but important fact that the village is free of debt—a boast that is the envy of most municipalities in the county.

Cermak, who opposes Bartlett for the village presidency, has been compared to the professional politician who does not hesitate to use public office for personal advancement. A "what's in it for me" attitude is usually attributed to men of this type, in fact Mr. Cermak has made utterances of this type in our presence. Since he has never held elective office, other than party office, his executive ability is an unknown quantity. For these reasons we feel him to be unsuited to the highest office in the village.

We urge that all citizens who are genuinely interested in the future of Antioch vote for and support Village President Bartlett next Tuesday.

### Service Badges Given To Veteran Firemen by Antioch Department

#### L. R. VanPatten, Sr. and Geo. F. Garland Serve 35 Years

A plan by which firemen who serve 25 years or more receive recognition badges was instituted by the Antioch fire department Tuesday evening.

Eight persons were honored in this fashion, two of whom have served 35 years.

L. R. Van Patten, Sr., and George F. Garland were the 35 year members, while Clarence B. Shultz with 29 years to his credit, F. B. Huber, retired and now in California with 28 years and Elmer Hunter 26 years having passed the quarter-century mark.

Arthur Hawkins, Robert Wilton, and John L. Horan, retired, are the 25 year members.

George B. Bartlett, village president, was presented a special badge for his many years of administrative services benefitting the fire department.

The badges were presented to the recipients by Jim McMillen, fire chief. Huber's badge will be mailed to him.

Refreshments were served following the Tuesday night meeting. It was the first gathering of this nature at the new fire station.

### V.F.W. Will Sponsor Baseball Team Again With Crandall Manager

The V. F. W. sponsored baseball team will start practice Tuesday evening, Apr. 19, at 6 o'clock, at the Antioch Township High school diamond.

An invitation is being extended to anyone who likes to play ball to bring his glove and spikes Tuesday evening. Practice will be held every Tuesday and Thursday evenings at the same time and place.

Jack Crandall will be the manager again this year. Last year under his managing the team played 20 games, winning 10 and losing 10 games. He is making his invitation to prospective players in general and will give every tryout an equal opportunity.

### Antioch Gun Club Ready For Regular Sunday Firing; Membership Reaches 70

The Antioch Gun club has completed a full Sunday afternoon of activity at its new headquarters at Rt. 173 and Tiffany road.

The club's new concrete block trap house and firing range constructed by the club members served its purpose well and the club members received compliments from the many guests present.

New trap equipment now on order will be installed immediately after it is delivered, meanwhile the temporary equipment will be kept in working order.

After the field equipment has been fully completed it will represent an investment of approximately \$500 and 100 percent cooperation by club member craftsmen who built and completed work to date.

The membership has reached the total of 70 and the present members invite gun enthusiasts to join the club.

There will be trap shooting Sunday, April 17 and someone will be on the grounds from 11 o'clock a. m.

"We have the place, equipment, shells and targets, bring your gun and pay us a visit. Guests as well as members are invited," said the president.

### Grade School Concert Has Good Crowd, and Interesting Program

A large crowd attended the annual spring concert of the Antioch grade school pupils at the high school auditorium Friday evening.

The children performed well in their presentation of vocal and instrumental numbers. Each grade had a part starting with the rhythm band of the first and second grades ending with the more sophisticated popular numbers of the seventh and eighth grades.

While not performing the children were entertained in the gymnasium with movies.

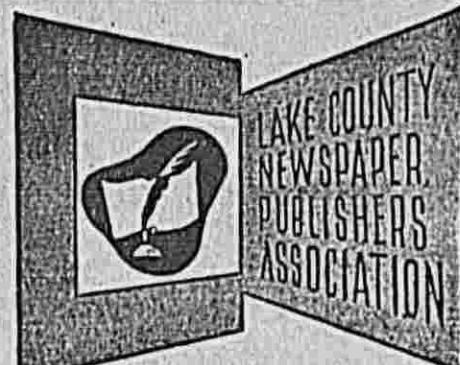

The room teachers and Hans Von Holwede had charge of the training.

## Economic Highlights

The Wall Street Journal has published what it terms "American industry's report card." It is a comparison of 1948 earnings of 376 leading industrial concerns, in two dozen industries, with the earnings made in 1947. It makes very interesting reading for those who are concerned with the economic state of the nation.

The most obvious fact is that 1948 produced record dollar profits, running to well over \$5,000,000,000 for the 376 companies. But, as any economist will tell you, dollar totals alone don't tell the whole story by a long shot. Other factors, tangible and intangible, enter the picture.

First of all, there were tremendous differences in the profit experience of various big industries last year. The oil companies did the best—about a 66 per

cent gain for 18 companies listed in the report card. On the other hand, 5 principal moving picture producers had a stunning 64 per cent drop in earnings. The public utilities, whose rates are fixed by regulatory commissions, showed almost no change.

Furthermore, some industries with very high dollar earnings still had difficult financial problems to deal with. Oil was one. An extraordinarily high demand forced the most rapid expansion possible. Emergency measures, often costly, were employed to get products to consumers. New construction carried a price tag two to three times as great as before the war. Consequently, the larger part of the earnings had to go back into the plant and labor rather than to stockholders.

The depreciation problem also takes some of the brightness away from the profits total. Under our tax laws and policies, a concern is allowed to depreciate physical equipment by so much a year, and lay the money away for future replacement. However, replacement costs are now so high that the funds thus accumulated aren't adequate for the job. So more profits must be applied to that.

The question everyone is asking now is whether the rate of earnings will continue. The Journal says that "most corporate officials expect a good year, but you have to search long to find one who thinks profits will measure up to the 1948 reports." In the view of The Texas Company, major oil concern, "A greater volume of sales will not be sufficient to offset price declines and continued high operating costs." In industry after industry tougher competition, plus, in some cases, a decline in consumer eagerness to buy, points to a slackening of the boom. This is indicated in dividends to stockholders. More and more firms, following a cautious policy, have recently been cutting them.

The Lake Villa Community Men's club will sponsor two evenings of entertainment at the school gym on Friday and Saturday evenings, April 29 and 30. This will be a 2-hour show by professionals, and Adam Dick, program chairman is working hard to put it over. Wm. Marks and Jere Hagen are also on this committee. E. K. Hart is in charge of ticket sales and Wm. Walker is chairman of the advertising committee. This is for the benefit of the community as the club sponsors a number of worthwhile projects for the young people.

Mr. and Mrs. C. N. Dunbar and Stanley of Petite Lake Highwoods, left early this week to visit their son and brother and family in Ohio.

Donald Summers left Saturday for Nashville, Tenn., to join his wife and children who went by train two weeks ago, and they will return to

gather in a short time.

In the school election last Saturday B. J. Hooper was elected as president of the Board and Clark Wetterburg and Donald Olschager were elected as trustees of the Consolidated district. Those holding over are Mrs. Oliver Martin as clerk, Mrs. Mix, Mr. Havin and Mr. Pavel. The Board is glad to announce that a new principal, Mr. Roland Lundahl, of Zion, has been secured to finish out the school year. Many pupils are out because of illness of some kind, but the enrollment is increasing each week. There are six teachers here including the principal besides those attending Cedar Lake school which is part of this consolidated district.

Mrs. Virginia Smith, of Buena Park, returned home Monday after a few days stay in Victory Memorial hospital for treatment.

## Protection for Roses

Roses will benefit from winter protection that can be provided easily by piling dirt around the plants. W. G. Amstein, extension horticulturist at Kansas state college, believes that poor blooms often are the result of lack of protection from freezing. Dirt should be mounded at least eight inches high around the base of each plant. This can be done, he says, at any time now since freezing weather has occurred.

your NEW telephone directory is  
at your service!

We have made it as accurate and  
complete as we know how. It will  
serve you best if you follow these  
five suggestions:

1. Discard your old directory. Turn it in for waste paper.
2. Check your memo list of frequently called numbers against the new directory to be sure they're right.
3. Look in the new directory for any number you're not sure of. That way, you'll avoid mistakes and wrong numbers.
4. Save time by finding the number in the directory instead of calling Information.
5. Use the "Classified" section (the yellow pages in most directories) when you want products, services or professional help.

AMERICA'S CHOICE FOR  
10 YEARS

**April 30 Deadline for  
Registering of Rentals  
For Owners First Time**

In answer to many inquiries from landlords, Norman Nicholson, Area Rent Representative today outlined the action to be taken by owners whose rental property is re-controlled, or brought under rent control for the first time, by the new rent control act.

He said rent control now applies to all rental housing units which were previously de-controlled because they were not rented for any successive 24-month period between February 1, 1945 and March 30, 1948.

"Landlords have until April 30 to register any of these units which were never under rent control," said Nicholson.

"Units previously registered need not be re-registered, but the owners are advised to show the registration statements to the present tenant.

"Landlords cannot charge more

than the maximum rent shown in the registration statement, plus or minus approved adjustments."

Assistance in preparing registration statements will be given landlords at the rent office, the rent official said. He added that registration forms will be mailed out on written or phoned request.

Also re-controlled, said Nicholson, are all accommodations which were de-controlled because a 1947 voluntary rent-increase lease was terminated prior to April 1, 1948.

"These are now re-controlled at their old lease rent and the landlord must file a report of termination statement with the rent of-

ice by April 15, unless he has previously filed such a report," he advised.

"Accommodations covered by leases which expired or terminated on or after April 1, 1948 have been and still are subject to rent control."

Trailers and trailer spaces which on April 1, 1949 were not used exclusively for transient occupancy are again subject to rent control, the rent official said.

A trailer or trailer space is considered to have been used exclusively

for transient occupancy on April 1 if it was rented on a daily basis to a tenant and then only if the tenant had not been in continuous occupancy since March 1, 1949.

Hereafter, rents or fees for increased services on re-controlled units may be charged only on order of the rent director.

"The rental rate for re-controlled trailer accommodations will be the last maximum rent in effect under federal rent control, which was not

later than January 4, 1948," Nicholson explained.

"Any trailer unit which did not

have a maximum rent in effect on or before January 4, 1948 must be

registered with the rent office by April 30, 1949 at the rent first charged after January 4, 1948."

Bright sun shining—new greenery showing—soft breezes calling you onto the highway—this is the season that Buick of yours was made for!

This is the time when you'll want to hear the sweet hum of its eager power, feel the lazy comfort of its easy stride, get the springtime feel of its thrilling action.

And you can have all that—with just a little attention to some simple things to shake the winter out of its bones.

For instance—the rusty sludge that has accumulated in your radiator should be cleaned out. Transmission and rear end may be low on lubrication, and should be checked. Crankcase oil should be changed to a summer grade.

The underside of your car has taken a lot of splashing on wet roads. Some of the chassis grease has been washed out, some of it fouled with mud and grit.

**Time to  
Spring Clean  
your Buick too!**

So it's time to drain out the dregs of winter. Time for a little of the knowing, loving care every Buick gets at the hands of our Buick-trained men, armed with Buick-developed tools, Buick-established methods, Buick-engineered parts.

It doesn't take long, doesn't cost much. But it goes a long way toward making old Buicks step out again like lively spring colts. How about stopping in—this week—to see about a spring rejuvenation for your faithful Buick?

Check your car---  
Check accidents!

Driving is twice the fun  
when you have complete confidence in your car—when you know that tires, brakes, steering, lights and the like won't let you down.

Altogether, there are 10 points to be checked for safety on any car. Bring your Buick in to us for a thorough going-over before setting off on your spring safari. We'll take the worry and fuss off your hands—so you can be carefree at the wheel.

# SOCIETY EVENTS

## Mr. and Mrs. Fields Celebrate 60th Wedding Anniversary on Sunday

Mr. and Mrs. E. E. Fields of South Main st., residents of the Antioch area for 40 years, observed their sixtieth wedding anniversary Sunday at a reception given at the home of their daughter-in-law, Mrs. J. B. Fields, of 274 Parkway.

Close friends and relatives were invited and the honored couple and the guests had a pleasant time recalling the happy events of their lives.

Mr. Fields is 82 years old and Mrs. Fields is 83. They are the last of several brothers and sisters in their respective families. They are farmers who did not retire and come to the village to live until 1942. Their last farm residence was on the State Line rd., near Pikeville corners.

Of their three sons, the oldest, Ralph Fields, lives in Antioch; James Clyde, known as "Red", died at Downey hospital four years ago, and John, "Bernie," who operated the business known as Bernie's tavern, and who like Clyde was a World War I veteran, died a short time later.

## Betty Johnson is Recent Bride of J. Christensen

Rev. G. Richard Tuttle heard the nuptial vows of Miss Betty Johnson, daughter of Mr. and Mrs. Edwin L. Johnson of Cross Lake and John Christensen, son of Mr. and Mrs. Harry Christensen, of Deep Lake, recently at the Methodist church.

Given in marriage by her father the bride wore a blue suit with gray accessories, her flowers were pink camellias.

Georgine Jakway matron of honor wore gray with pink accessories, her flowers were gardenias. Donald Nelson served as best man.

Mrs. Johnson, mother of the bride wore navy blue, her flowers were yellow tea roses.

A reception was held following the ceremony at the home of the bride's parents.

Mr. and Mrs. Christensen spent several days at Kalamazoo, Michigan, and are now at home at 433 Lake Street, Antioch.

Mr. Christensen is employed at Great Lakes Naval Station and Mrs. Christensen is employed at Williams Department store.

## WOMEN'S SOCIETY TO HOLD MEETING, WED.

The Methodist Wesley Society will hold a one o'clock luncheon and meeting at the church Wednesday April 20. The program to be presented following the luncheon will be led in devotions by Mrs. Warren Polley. Mrs. W. C. Petty's topic for discussion will be "What of the Future China", a third in a series of "China in the Asia of Today". Mrs. C. E. Hennings will have charge of the luncheon.

## MR. AND MRS. M. S. PFLAGER ARE PARENTS OF SON

Mr. and Mrs. M. S. Pflager are the parents of a son, "William Wood," born Monday, April 11, at Victory Memorial hospital, Waukegan.

## Methodist Youth Will Conduct Sunrise Service At Fox River State Park

Fox River State Park has been chosen by the Youth Fellowship of the Methodist Church as the site for their first Easter Sunrise Service. Cars are scheduled to leave the church at 5 a. m. on Sunday morning. The service will begin at 5:15 and will be conducted entirely by the young people. Adults in the church are invited to attend.

The Call to Worship will be given by Betty Jean McDougall. Bob Kufahl will give the Easter poem. David Deering will read the Scripture. A quartet composed of Sylvia Beelow, June and Jane Hunter and George Reardon will sing. Gail Deitrick will give the prayer. The Easter meditation will be given by Bob Wilton. Sylvia Beelow will sing an Easter solo. Janice Runyard will accompany the singing with an accordion.

The Sunrise Service is the first conducted by the Methodist Youth Fellowship. Following the Sunrise Service the young people will hold an Easter breakfast at the Park. In the event of inclement weather the service and breakfast will be held in the Church.

Three committees of young people have been working in preparation for the service and breakfast. One committee has been charged with the responsibility of constructing a cross to be erected at the Park. Another has planned the worship service under the direction of Miss Betty Lu Williams, one of the Advisors. The third committee has planned the Easter breakfast.

## WOMEN'S CLUB TO HEAR WM. C. BARRY SPEAK, MON.

"Our Contribution to World Recovery" will be the subject discussed by Wm. C. Barry at a meeting of the Antioch Woman's Club Monday afternoon at the Scout Home.

Hostesses for the afternoon will be Mesdames E. F. Vos, T. Hunt, Einar Petersen and John Brogan.

The annual meeting of the club will be held May 2. Cards will be played during the afternoon. Hostesses will be Mesdames D. Boyer, C. N. Dunbar, Ralph Jepson, A. H. Kaufmann, Lester Osmond, J. Horton, D. N. Deering and H. Meinersmann.

## CELEBRATES 73RD BIRTHDAY ANNIVERSARY

Mrs. Louise Thomas celebrated her seventy-third birthday anniversary with a six o'clock dinner for fourteen guests at her home on Park Avenue, Wednesday. A social hour was enjoyed following the dinner.

## V. F. W. to Plan Annual Installation of Officers

Sequoit V. F. W. Post 4551 will hold its regular monthly business meeting Monday, April 18, 8 p. m. at the Antioch Guild Hall. This will be the last meeting in which the 1948-49 officers will officiate.

A large attendance is expected as final arrangements for the post installation of officers April 23 are to be made. Many other items of importance in the new year are to be discussed.

## METHODIST TO HAVE TWO EASTER SERVICES

Two Easter services, one starting at 9 o'clock and the other at 11 o'clock will be held in the Antioch Methodist Church Sunday morning. The two services will be identical except for the music. At the 9 o'clock service the Youth choir under the direction of Mrs. Luster Badger will sing "Great Is The Lord". Sylvia Beelov will sing a solo, "Gethsemane." A special number "The Lord is Risen Today" will be sung by Norma Jarnigo, June and Jane Hunter and Sylvia Beelov. Mrs. E. W. Kufalk will be the accompanist.

Rev. G. Richard Tuttle, the minister will bring the message at both services. His subject will be "The Eternal Promise". At the 11 o'clock service, the Senior choir under the direction of Mr. Charles B. Watson will sing, "The King of Kings" Mrs. Westleigh Carleen, soprano, will sing "O Lord Remember Me", Mrs. Donald Brown will sing "Redemption" Mrs. William Dow will be at the organ.

Those wishing to see that the church is decorated are asked to bring Easter lilies on Saturday afternoon and pick them up at the close of the service on Sunday.

## METHODIST SCHOOL SEEKS BIG ATTENDANCE

Easter Sunday will climax the National Sunday School week. The Antioch Methodist Church school will endeavor to break its attendance record of 239. "We tied this fine record three weeks ago, which was set on Easter Sunday last year," explained Superintendent B. G. Guillaume. "We have given the church school attendance special thought during the last month. It would be very appropriate to climax it with a record breaking attendance this coming Easter Sunday."

The roll call has been soundly broken and now registers over 320 students. The beginners, nursery and first three grades will meet downstairs at the usual time—9:45 a. m. The rest of the church school will attend an Easter church service with their families at 9 a. m. The nursery will be open at 9 a. m. and the primary department under the direction of Mrs. T. R. Birkhead will be open at 9 a. m. to receive the early comers.

## ANTIOCH UNIT AUX. TO HOLD PAN AMERICAN PROGRAM, APR. 22

Twelve members of the Antioch Unit 748 American Legion journeyed to Downey hospital April 7, to help wrap 6000 pairs of socks, which were given to the Veterans as Easter gifts.

Pan American program will be held at the next meeting of the Unit, which will be Friday, April 22, at the Legion Home.

Harry Nelson and Calvin Harden flew their plane to Rockford Sunday and had dinner there.

Mr. and Mrs. Joseph Meyerhofer, Mr. and Mrs. Vincent Meyerhofer of Lake Geneva and Mr. and Mrs. Bill Schultz and son, Billy, of Genoa City, were dinner guests of Mr. and Mrs. Nick Hilbert, Sunday.

Mr. and Mrs. G. C. Moore, of Chicago, were weekend guests of Mrs. Fern Lux.

## ATTENDS POULTRY FEEDING COUNCIL AT TERRE HAUTE

George Wagner recently returned from Terre Haute, Ind., where he attended a two-day Feeding Advisory Council sponsored by the Ralston Purina Co., and held at the Deming hotel. Wagner was one of 44 men selected from Purina dealers' stores in Indiana and Ohio for this intensive training course.

Wagner was given instruction on culling and posting of birds. This is the third in a series of meetings on the study of management, sanitation, breeding and feeding. Upon the successful completion of the course, Wagner will be given a diploma as a graduate feeding advisor and will also receive a gold ring from the Ralston Purina Company in recognition of his work.

**Churches to Emphasize  
Promise of Eternal Life  
In Easter Services Sun.**

Easter, most significant of holy days in Christendom because of its promise of life after death, will attract believers to churches in large numbers Sunday and the Antioch churches will be no exception.

There will be special emphasis on the meaning of Easter in sermons and rituals.

Climaxing a Lenten season, the period of spiritual reflection will be marked with the observance of Good Friday tomorrow in memory of the day when the Christ went to the cross.

Sunday will be the occasion for memorializing the resurrection of

Jesus and the finding of the empty tomb.

Each church in the Antioch area will observe the holy day in its own special way. The programs will be found in the church column.

The high school and the grade school will both close this evening for Good Friday and will not open again until next Tuesday. Monday is being retained as a vacation day to permit those going to distant places for Easter to make the return trip.

**Sale of Patterns**  
Patterns sold during 1948 will exceed 200 million, home sewing analysts report. Compare this with 168 million in 1947, a previous record breaking figure.

# HOW MODERN MIRACLE OF DESIGN MAKES THE NEW DODGE **DIFFERENT!**

**Different!**

LONGER on the inside  
... SHORTER outside!

**Different!**

WIDER on the inside  
... NARROWER outside!

**Different!**

HIGHER on the inside  
... LOWER outside!

WHO SAYS all cars are alike? Just look at the new Dodge, the car that dares to be different! Different in the sleek lines that flow from true functional styling. Different *inside—and out!*

Inside, this new Dodge is bigger three ways—longer, wider, higher! But outside it is actually shorter, narrower, lower. No bulky lines to bulk you when parking or garaging your new Dodge.

Here is a miracle of design that puts *your comfort first*. Wide

opening doors that make it easy to get in and out . . . inside all the head room, leg room, elbow room you could ask for.

Topping all, is the flashing performance of the famous Dodge "Get-Away" Engine . . . the velvety smoothness of Dodge All-Fluid Drive.

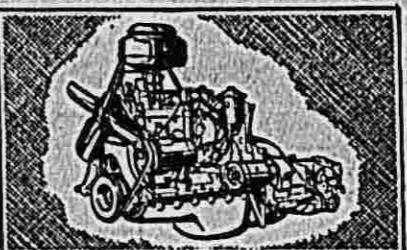

Before you decide on any car, see how much *more Dodge* gives for your money today!

FENDERS are bolted on . . .  
easy on your pocketbook to  
repair, or even replace, if  
dented or damaged.

LUGGAGE COMPARTMENT . . .  
big as all outdoors. Spring-  
balanced lid raises and  
lowers at fingertip touch.

GET-AWAY ENGINE . . . high-  
compression engineered for  
more power . . . faster  
pickup . . . greater economy.

**Sediment Damage**  
Average annual damage from all forms of sediment and sedimentation is approximately 175 million dollars, says the U. S. soil conservation service.

**Newcastle Disease**  
Lice can spread Newcastle disease of poultry from bird to bird.

**Dairy Cattle Ration**  
Good quality hay is the basis for the dairy cattle ration and should be fed liberally.

**Apple Sauce**  
Flavor of apple sauce generally is better if the apples are peeled before cooking. If the apples are cooked unpeeled and then strained, the sauce may have a bitter taste from the peeling. Apples should be cooked rapidly in a covered pan, for long, slow cooking may destroy the delicate flavor and may even darken the sauce.

## MILLBURN

Rev. L. H. Messersmith has chosen "A New Day," as the topic for his sermon for the Easter service Sunday, Apr. 17. Good Friday services will be held at 8 p. m. Apr. 15, and the sermon title will be "Were You There?"

Fifteen members of the Men's club and two visitors enjoyed a roast chicken dinner preceding the regular meeting Monday evening. Dinner was prepared by George Murrie and Clayton Engh.

Reservations for the annual Mother and Daughter banquet for May 6, may be made with Harley Clark, Verlon Groves, Theodore Engh or Harold Minto.

The regular meeting of the church board was held in the church Wednesday evening.

Mr. and Mrs. Herbert Messner and son, Herbert, spent Sunday with relatives in Chicago.

Mr. and Mrs. Chris DeYoung spent Sunday afternoon and evening at the Oscar Neahous home.

Mr. and Mrs. Irving Gates and sons, of Waukegan, were dinner guests at the W. A. Robbins home Saturday evening.

Mr. and Mrs. Leslie Bonner and Mr. and Mrs. Victor Strang spent Sunday and Monday in Three Oaks Michigan, where they attended the wedding of their niece, Miss Ruth Ann Priest and John Humphrey at the Priest home Sunday afternoon.

Messmates, Messner, Neahous, Edwards, Robbins and Savage met for sewing at the Messersmith home Friday afternoon.

Mr. and Mrs. Rex Fleming, of Chicago, Mr. and Mrs. James Bonner, of Kansaville, Wis., Mr. and Mrs. Ray Hauser and sons, of Lake Villa, Mr. and Mrs. Walter Fountain and Mr. and Mrs. Clayton Engh were dinner guests at the Harley Clark home Sunday in honor of Mr. Clark's birthday anniversary.

Ray Harmer, of Waukegan, spent Sunday afternoon at the Frank Edwards home.

Mr. and Mrs. Robert Bonner, of Kansaville, Wis., spent Sunday at the W. M. Bonner home on Grand Ave.

Mrs. Wallis Hines and sons, who have spent several weeks with the former's parents, the D. H. Minto's, are now located in Aurora, where Mr. Hines is employed by Armour and Co.

Mrs. Anna Bauman, Mr. and Mrs. Earl Bauman and daughter, Donna, Milton Bauman, Mr. and Mrs. Eric Anderson and Rebecca, Mr. and Mrs. Kenneth Denman and son, Dean, Mr. and Mrs. Howard Bonner and sons and Miss Olive Denman were guests for dinner at the home of Dr. and Mrs. W. G. Bonner in Barrington Sunday.

WE'LL RESTORE THAT  
"DAY YOU GOT HER" LOOK

If your car's been taking a beating from winter weather, bring her in to us. We'll bathe her off, clean as a whistle... then give her our special protective wax treatment. And she'll come away with a just-out-of-the-showroom sparkle. It's mighty good for your car... helps prevent the lasting damage winter can do... and you'll get that first-time-you-drove-her-kick all over again!

Don't let  
**BOTTLENECK WIRING\***  
dim your electrical future

Bottleneck wiring can make your new home an electrical antique before you move in. Insist on adequate wiring in the home you're building or planning.

Adequate wiring means having enough outlets, switches and circuits, to take care of all your present and future appliances without the nuisance... and danger... of overloading, dimming lights and blowing fuses. Adequate wiring is your assurance that all the comforts and conveniences electricity makes possible are yours when you want them.

The difference between the cost of a "just average" electrical installation and an adequate wiring installation is small. It costs a little more but offers many advantages. In the years to come as you add the many new electrical appliances that become available you'll benefit from your foresightedness. You'll be glad you installed adequate wiring.

There's an Electrical Future for Apartments, too

Farsighted apartment owners and builders eliminate bottleneck wiring, too, in order to assure the future desirability... and present safety... of their buildings.

**\*BOTTLENECK  
WIRING** means:

Not enough outlets

Too few circuits

Wire too small

Not enough switches

# THEY'RE CHANGING!

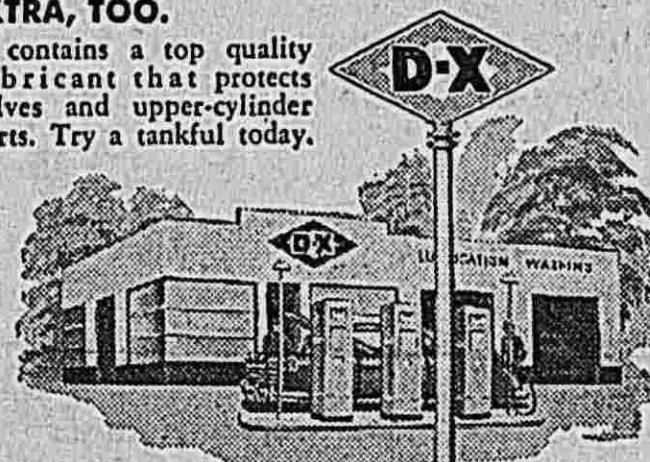

## Because Now D-X Motor Oil Contains **EXTRINOL\***

Yes, thousands of motorists have found that ordinary motor oils alone do not give them the complete lubrication protection they need. That's why they're changing to the oil with the "extra" — D-X motor oil with Extrinol. This great new motor oil will help your motor deliver extra power because it helps clean your motor while you drive. It protects your bearings against rusting, pitting and wear. And it fights oil-eating sludge. It does all these things because it contains the "extra" of Extrinol — at no extra cost.

\*Extrinol is the name of the complex chemicals that are added to D-X to make it a tougher, safer, more economical motor oil. Change to D-X with Extrinol. Get this Extrinol's extra protection today... at any D-X station.

### D-X LUBRICATING MOTOR FUEL HAS AN EXTRA, TOO.

It contains a top quality lubricant that protects valves and upper-cylinder parts. Try a tankful today.

## MADE RIGHT TO STAY WHITE

### Du Pont House Paint Cleans itself!

All paints collect dust and dirt during the first few months.

DIRT PARTICLES

FINE WHITE POWDER

With Du Pont House Paint, a fine white powder forms on the surface after a few months.

Rains wash off this powder and with it much of the accumulated dirt and grime.

Self-cleaning leaves surface clean and white... keeps it sparkling white for years. This cleaning process is gradual and does not adversely affect the long life of the paint.

#### White and bright for years!

That can be your home if you specify improved Du Pont No. 40 Outside White the next time the painters come. Owing to its unique combination of pigments and oils, Du Pont "40" actually cleans itself... sheds dirt and dust with every heavy rain! Normally, this "Self-Cleaning" starts in a few months on most surfaces. However, excesses of soot or heavy shade, or stains from metal surfaces such as copper screening may interfere with, or delay, the process.

You save, too, when your painters use Du Pont. Smooth, easy application, excellent spread and high-hiding plus long-lasting protection against rust, rot and decay... all add up in your favor.

"Self-cleaning" Du Pont House

Paint is available in No. 40 White and light tints. If the surface is bare wood or badly weathered paint, ask your painter to use new Du Pont House Paint Primer. It's the right prime coat for the job!

In 5 gal. lots \$6.00 gal.

The Finishing Touch for New Home Beauty!—Fade Resistant Du Pont DULUX Trim and Trellis Finishes

Outside trim and shutters keep their sparklin year after year... with extra-double DULUX Trim & Trellis. It resists mildew and fading... brushes on easily... covers solidly... dries tack-free in a few hours. Your choice of three Greens, Brown, Black, a new Blue and Bright Red that stay fresh and beautiful!
